

Remarks

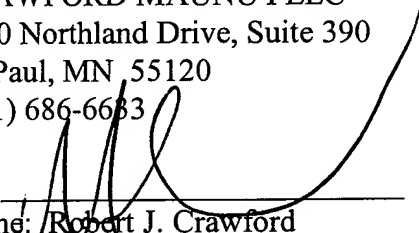

The amendment to the specification is to improve wording typos and is not made for the purpose of patentability.

The minor amendment to claim 79 changes the word "method" to "system" because claim 60 is a system claim. The amendment corrects an obvious error and should be entered accordingly.

A favorable response is earnestly requested. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is encouraged to contact the undersigned at 651/686-6633.

Respectfully submitted,
